The Phoenix Artists Club**

1. Matters Arising.
2. Committee Reports

Chair Report – not present

Vice Chair – not present

Treasurer - Internet banking has now been applied for, though we are still waiting confirmation of set up. Balance of the main account is £20150.77. The balance of the trips account is £1127 - 500

Webmaster – The gallery has been updated to current version. Automatic registration is not working at the moment, so please email Mark if you are having problems logging in. Wordpress has not yet been updated to the current version to allow bugs to be rectified. The trips page has now been renamed “Events” to encompass all our social undertakings. We currently have 163 paid up members

Training coordinators – Two IANTD courses have been completed, along with 5 SCUBA reviews, three open water students. October will see more SCUBA Reviews taking place, an Open Water Referral course which will run alongside and Advanced Open Water Course and some specialities. Ian and Martin have now planned training courses for next year, encompassing all the PADI courses, details of which will be posted on the site in due course. The next Try Dive will be on 13th November, with a social event taking place at a local pub afterwards. It was felt that hiring the garden in November for a BBQ was not such a good idea!

Publicity – David had sent out a letter to several organisations for sponsorship, but there had been no response to date.

3. Any Other Business

Raja ampat. Although the contract for this trip has been re-written, it was felt it actually made GLUG more liable. The contract still needs to be changed so there are no references to the club and we are extremely concerned that members booking on the trip have little protection for liability. We cannot agree to this contract as it stands.

Terry has kindly agreed to donate an O2 analyzer to the club.

The Adam and Eve pub on Well's Street have confirmed their Christmas Menu and after Martin & Brian went along to discuss booking procedures and such, it was presented to the committee as the best option for this year. Committee agreed and Mark will add the menu to the Events Page. The meal will be held after the AGM, which takes place on Dec 4th at the Phoenix club. All members are welcome and encouraged to attend. If you can't join us for the meeting, then come on down for Christmas drinks before the meal. Booking for the Christmas meal will close two weeks before 4th, so please book in good time.

Meeting ended 7.30pm
