

**GLUG Committee Meeting  
7<sup>th</sup> September 2010  
The Phoenix Artists Club**

Present: Doug Y, Mark V, Martin S, Ian F, Corinne S,

**Chairman's Report**

The chequebook for the Number 1 account has gone missing in the post. We need to find out if Dave actually sent it and if so to cancel it and order a new one. The GLUG T-shirts have now arrived at Doug's but postage hasn't been paid. For those who wish to have their t-shirts sent by post, they need to send Martin a stamped addressed envelope. Martin offered to take the T-shirts from Doug and bring them to the next meeting, so long as people confirmed they would be in attendance.

**Treasurer's Report.**

No official report

Martin now has the chequebook & paying in book for Trip Account due to organising Portland and Nemo. There is a surplus in this account which we will use to cover the expenses Martin paid for the Try Dive and for Mark's expenses for the T-shirt order.

**Membership Secretary.**

160 paid up members to date. Try divers were struggling to get on to the website and set up their accounts. This should now have been resolved.

**Webmaster.**

£545.20 received in payments.

**Training Report.**

We have completed Try Dives, 5 scuba reviews & are running a First Aid course later in the month. At the last try dive we were able to give the son of one of our members who is Autistic and deaf the chance to have a Try Dive and Martin is negotiating pool time for him through Dive Wimbledon to continue offering him the chance to dive.

**Red Sea Trip for September 2011**

Val & Brian will now be running this trip.

**Christmas Dinner**

Brian presented two options, a restaurant offering a Tapas menu and one offering a traditional Christmas dinner. Several members expressed an interest in the Christmas menu, we shall wait to hear more views and confirm prices.

**Meeting closed** at 19.56

Member's comments: A new pool opened in Marshall street which BSAC divers are using. It may be possible to organise some pool time for GLUG here.
